Good morning Carrie,

I called OACAC (several different departments), as well as sent an email to them this morning. I have not been able to find anyone at OACAC that has said they can assist with these car repairs. Please let me know if I need to do anything else.

This client has no other resources to pay for these repairs.

Thanks,

Christina,

I'm sorry for the delay in this RFO. The State has really started cracking down on RFOs just in the last couple of weeks. They are wanting to make sure you've tried receiving assistance with this expense from the below organization before they approve this RFO.

Please reach out to them and let me know the outcome.

Thanks,  
Carrie

I just sent you an updated RFO because the dollar amount changed and they said they don't know of any other resources in the area to contact for this type of assistance.

Thanks for sending this over. Were any other organizations contacted? The RFO doesn't specify.
